

YOUR GOALS. OUR SOLUTIONS.

LUXURY & COMFORT

»» **ARCUS EXECUTIVE AVIATION** Invest in time. Less at the airport and more of it there, where your business is. **You don't have to forgo anything:** We offer you Business Class comfort and individual service at fair prices.

»» **ARCUS EXECUTIVE AVIATION** That means "Clearance for take off" when you like. With several Phenom 100 jets, we comfortably rise above any competition in this class and offer you and four other passengers luxurious space and a safe journey to the destination of your choice.

»» **ARCUS EXECUTIVE AVIATION** Experience brings safety. We also bring comfort into the equation. Several hundred flights a year which fulfil the highest standards of service quality and punctuality guarantee your satisfaction. And for any questions regarding our services, we are available for you 24/7/365.

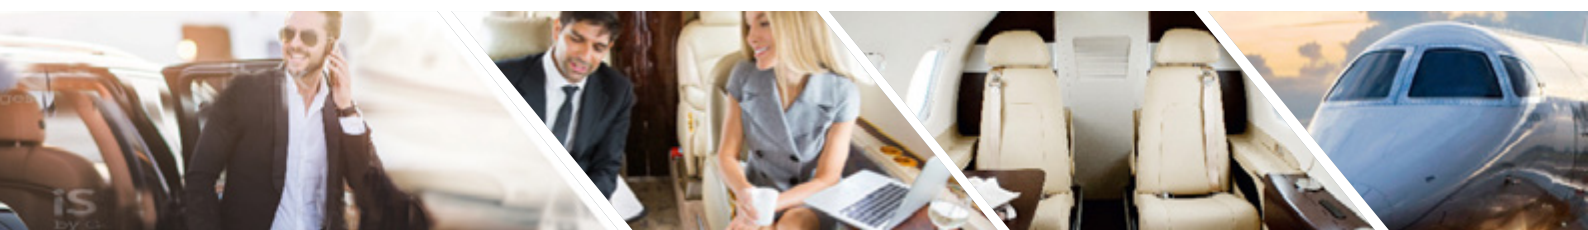

»» **ARCUS EXECUTIVE AVIATION** We have been operating as a European airline for **over 40 years with our own fleet** of aircraft for people and companies. We stand for flexibility, reliability as well as expertise both in the air and on the ground and look forward to welcoming you "on board."
