

WHEN EVERY MINUTE COUNTS...

Do you need **experts** who will provide the **most efficient solutions** for standard or customised transport?

Are you looking for a partner for **emergency planning** in situations **where time is critical**, for example to avoid production downtime?

FAST AND EFFICIENT AIR CHARTER

»» **ARCUS AIR LOGISTICS** is your partner for **fast and efficient air charters**. Whether small packages, larger loads or dangerous goods with our **24/7/365 availability** we have for every requirement – **maximum security and discretion guaranteed** - the right solution.

»» **ARCUS AIR LOGISTICS** are experts in extremely urgent shipments (Panic shipment). If production downtime is imminent because much needed parts are missing our **ad-hoc charter** will bring them in the shortest time to the right place. During the transport you will be provided with all order-related information in real time.

»» **ARCUS AIR LOGISTICS** offers you individual transport solutions – with an extensive **fleet of helicopters and airplanes** for small packages right up to the 250-ton charter aircraft. With our **door-to-door-service** you don't have to worry about anything. In terms of service quality, we do not compromise – that is why renowned customers have relied on us for many years as a trusted partner.

No matter what you need to have transported – we will deliver your freight safely and on time to its destination.
